

DL Envelope

Window Left

Folded size:

99 x 210mm

Print area:

240 x 252mm

Remember to delete
or hide this layer.

Bleed Area

Anything here will be trimmed off, but remember to extend any colouring or images into this 2mm bleed area to avoid white lines appearing during the print finishing stages. This includes the window.

Non Printable Area

This is the glue area - anything in this box will be hidden.

Safe Area

Keep all your information inside the dotted lines. Remember to use high resolution images (300dpi) for the best results.

Crease Guide

This is where the envelope will be folded. The area inside this box is the front of the envelope.
